

THE CANDYCANE DISASTER!!!!

One day there was a girl named Shelly. Shelly and her mom were at a store. Shelly saw some candy canes. She wanted to get five boxes but her mom said, "Only if you have money." But Shelly never had any money. So she would remember next time. Another day when they were at the store, Shelly never forgot her money. But now there was only one box left! So she went up to the front desk and asked if there were four more boxes. The lady said, "There are four more boxes in the back." And Shelly had enough money now to buy five boxes of candy canes!
